

Personal reflection week: 6

Simon Johnsson

May 2022

1 What do I want to learn or understand better?

A:

Currently I want to practice my ability to make relevant and helpful diagrams.

B:

I want to make diagrams so that I can give insightful depictions of our project.

A \rightarrow B:

Make a diagram when a feature seems too large to understand.

2 How can I help someone else, or the entire team, to learn something new?

A:

Currently I have been sick so I haven't been able to help someone.

B:

I should assist with my own understanding of problems.

A \rightarrow B:

Participate and make myself available.

3 What is my contribution towards the team's use of Scrum?

A:

I follow the team's process.

B:

I should follow the team's process.

A \rightarrow B:

Keep working on the process.

4 What is my contribution towards the team's deliveries?

A:

This week I was only able to finish a smaller user story as I have been sick.

B:

I will contribute more next week when I'm not sick.

A \rightarrow B:

Assign myself to feasible user stories I am able to complete with the currently available resources.
