Personal reflection week: 5

Simon Johnsson

April 2022

1 What do I want to learn or understand better?

A:

I want to learn how to route a website.

B:

I should know what components make up a React project.

A → B:

Put myself into situations where I am forced to learn.

2 How can I help someone else, or the entire team, to learn something new?

A:

Currently I work alongside my team so that I may provide assistance when things seem unclear.

B:

I should be available and provide new knowledge to the team.

A → B:

Learn new things myself and be available when someone in the team is in need of that knowledge.

3 What is my contribution towards the team's use of Scrum?

A:

I am still Scrum master and I encourage the use of Scrum.
